

AMENDMENTS TO THE CLAIMS

The listing of claims will replace the previous version, and the listing of claims.

LISTING OF CLAIMS

1-8. (cancelled)

9. (currently amended) An airbag device according to claim & 11, further comprising a harness electrically connected to the pressure sensor, said harness being disposed along the inner surface of the bag portion.

10. (currently amended) An airbag device according to claim & 11, wherein a plurality of pressure sensors is disposed on the inner surface of one bag portion.

11. (currently amended) An airbag device for a driver attached to a steering wheel comprising ~~the an airbag according to claim 8 for protecting a driver comprising:~~

a bag portion to be inflated in front of the driver, and having a driver-facing surface and a rear portion located at a side opposite to the driver-facing surface in an inflated state, and

a pressure sensor mounted on an inner surface of the rear portion where the driver does not face, said pressure sensor detecting an inner pressure of the bag portion when the airbag is inflated, said pressure sensor being located on the rear portion outside the steering wheel, and

a gas generator attached to the airbag for inflating the same.
